

CAIS 2010 Final Program - Programme final ACSI 2010 -

Each presenter has 20 minutes to present and 5 minutes for questions and answers

The CAIS 2010 conference will take place in the **Henry F. Hall Building** located on the Concordia University campus.

Day 1 : Wednesday, June 2, 2010 (morning)

8:00 – 8:30 Coffee

8:30 – 9:00 Opening remarks

ROOM H620-00

Elaine Ménard, Valerie Nessel and Sabine Mas (Conference Co-Chairs)
and Catherine Johnson (CAIS President)

9:00 – 10:00 Keynote speech

ROOM H620-00

Danielle Boily
Manager, Portals Management & Design
Canadian Heritage Information Network, Canadian Heritage (CHIN)
Research at CHIN: From reflection to action

10:00 – 10:30 Coffee break

- ROOM H629-00 -

10:30 – 11:30 Information Practices

Session 1a

Moderator : James M. Turner

1. Texting home: Examining the mobile phone practices of student newcomers to Toronto.
Rhonda McEwen, Nadia Caidi
2. Online participation and information inclusion – A study of internet users with vision impairments.
Sambhavi Chandrashekar, Nadia Caidi
3. Town mobiles and country mobiles.
Sherry Koshman

11:30 – 1:30 Lunch (on your own)

12:00 – 1:30 CJILS Board Meeting (Room H771-00)*

*For CJILS Board Members only.

- ROOM H631-00 -

10:30 – 11:30 Faceted Classification and Ontology

Session 1b

Moderator : Pamela J. McKenzie

1. Faceted classification for museum artefacts: A sleeping beauty.
Elaine Ménard, Sabine Mas, Inge Alberts
2. Toward a unifying ontology for human-information interaction.
David A. Jank [Student to CAIS Award]
3. An epistemological analysis of Holocaust survivor transcripts.
Linda F. Burghardt

11:30 – 1:30 Lunch (on your own)

12:00 – 1:30 CJILS Board Meeting (Room H771-00)*

*For CJILS Board Members only.

CAIS 2010 Final Program - Programme final ACSI 2010 -

Day 1 : Wednesday, June 2, 2010 (afternoon)

- ROOM H629-00 -

1:30 – 3:00 User Studies Session 2a
Moderator: *Diane M. Neal*

1. When citizens become consumer-producers: Immaterial labour and the unpaid work of patrons in the library as place and virtual space.
Siobhan Stevenson
2. Immigrant youth's perceptions of the library: A pilot study involving youth ages 14-18 of African and Caribbean origin.
Joseph Artinger, Paulette Rothbauer
3. URLs in their native language: Opinions of Arab users of the Internet.
Haidar Moukdad

3:00 – 3:30 Coffee break

3:30 – 5:00 Libraries Session 3a
Moderator: *Andrew Large*

1. The Library Settlement Partnership: A case study
Susan L. MacDonald
2. Social capital and community building in rural Ontario libraries.
Catherine Johnson, Matthew Griffis
3. Mashups in the early days: What an old defacement incident can tell us about libraries and the emerging digital infrastructure.
D. Grant Campbell

- ROOM H631-00 -

1:30 – 3:00 Information Needs and Knowledge Sharing Session 2b
Moderator: *Dominique Maurel*

1. The truth is out there: Claimsmaking, counterknowledge, and complementary and alternative medicine.
Tami Oliphant
2. How interdisciplinary primary health care teams access and share knowledge.
Shannon L. Sibbald, Anita Kothari, Nadine Wathen, J. Kevin Shoemaker
3. Ontological organization of learning objects repository for knowledge sharing.
Shouhong Wang, Hai Wang

3:00 – 3:30 Coffee break

3:30 – 5:00 Information Behaviour Session 3b
Moderator: *Elaine Ménard*

1. Socially positioning information hippies, Google-fu masters, and other volunteer tourists in Thailand: Effects and implications for information behaviour.
Kathleen Reed
2. Le comportement informationnel des jeunes adultes québécois en matière de santé sexuelle.
Alexandre Fortier, Christine Dufour, Pierrette Bergeron
3. Information at play: The role of information behavior and meaning-making.
Suellen Adams

CAIS 2010 Final Program - Programme final ACSI 2010 -

Day 2 : Thursday, June 3, 2010 (morning)

8:00 – 8:30 Coffee

- ROOM H629-00 -

8:30 – 10:00 Management and Role of Information Professionals Session 4a
Moderator: Haidar Moukdad

1. Implication des professionnels de l'information dans les systèmes d'information Web: Enquête pan-canadienne.
Christine Dufour
2. L'embauche des bibliothécaires professionnels dans un processus municipal de dotation.
Dominique Gazo
3. The how and the why: An argument for a theory-oriented approach to LIS administration and management scholarship and practice.
Deborah Hicks

10:00 – 10:30 Coffee Break

10:30 – 12:00 Collaborative Information Behaviour Session 5a
Moderator: Jamshid Beheshti

1. Shortcuts and dead ends: Control issues with online user-generated content.
Peter Organisciak, Kathleen Reed, Alicia Hibbert
2. Exploring collaborative information behaviour of design engineering students: A pilot study.
Nasser Saleh, Andrew Large
3. Putting the pieces together: Endometriosis blogs, cognitive authority, and collaborative information behaviour.
Diane M. Neal, Pamela J. McKenzie

12:00 – 1:30 Lunch (on your own)

12:00 – 1:30 CAIS Board Meeting (Room H771-00)*

*For CAIS Board Members only.

- ROOM H631-00 -

8:30 – 10:00 Clustering, Indexing and Information Retrieval Systems Session 4b
Moderator: Catherine Johnson

1. Integrating knowledge from different sources for automatic back-of-the-book indexing.
Lyne Da Sylva
2. Les méthodes de classification non supervisées appliquées aux textes : mesure de la performance des résultats de clustering de documents.
Pascal Cuxac, Jean-Charles Lamirel, Maha Ghribi
3. Comparison of the effectiveness of related functions in Web of Science and Scopus.
Dorothy C.P. Char, Isola Ajiferuke

10:00 – 10:30 Coffee Break

10:30 – 12:00 Information Seeking Behaviour Session 5b
Moderator: Heidi Julien

1. Job seeking information behaviours of urban, Métis youth.
Sarah Dupont
2. Information needs of microenterprise owners: A preliminary study.
Tao Jin
3. Seeking God's will: the experience of information seeking by leaders of a church in transition.
David H. Michels

12:00 – 1:30 Lunch (on your own)

12:00 – 1:30 CAIS Board Meeting (Room H771-00)*

*For CAIS Board Members only.

CAIS 2010 Final Program - Programme final ACSI 2010 -

Day 2 : Thursday, June 3, 2010 (afternoon)

- ROOM H629-00 -

1:30 – 3:00 Social and Collaborative Tagging Session 6a
Moderator: Audrey Laplante

1. Users' behaviour in collaborative tagging systems.
Samuel Kai Wah Chu, Dinesh Rath, Helen S. Du
2. Convergence and divergence in tagging systems: An examination of tagging practices over a four year period.
Margaret E. I. Kipp
3. Réseaux sociaux et indexation de la musique, vers de nouveaux modes d'évaluation par l'usage.
Widad Mustafa El Hadi, Jean Debeacker

3:00 – 3:30 Coffee Break

3:30 – 5:00 Cataloguing, Classification and Social Tagging Session 7a
Moderator: Margaret Kipp

1. Self-reflection, perception, cognitive semantics: How social is social tagging?
Richard P. Smiraglia
2. The flimsy fabric of authorship.
Hope A. Olson, Hur-Li Lee, Richard P. Smiraglia
3. A look at classification and indexing practices for elementary school children: Whom are we really serving?
Valerie Nessel

6:00 CAIS Banquet

The Banquet will be held at "Le Café des Beaux-Arts" of the Museum of Fine Arts of Montreal (1380 Sherbrooke street West)

Dress code: Smart casual. Clean, unripped jeans are OK.

- ROOM H631-00 -

1:30 – 3:00 Webometrics and Informetrics Session 6b
Moderator: D. Grant Campbell

1. Search patterns on a children's portal.
Jamshid Behesthi, Andrew Large, Marni Tam
2. Using the Web server logs to study public opinion.
Yijun Gao
3. Canadian information science research contributions 1989-2008.
Dietmar Wolfram

3:00 – 3:30 Coffee Break

3:30 – 5:00 Information Visualization and Web Interfaces Session 7b
Moderator: Dietmar Wolfram

1. Subject explorer 3D: A novel virtual reality collection browsing and searching tool.
Charles-Antoine Julien, Catherine Guastavino, France Bouthillier, John E. Leide
2. Exploratory interaction with information through visualization and semantics: Designing a visual user interface using the UNESCO multilingual thesaurus.
Ali Shiri, Stan Ruecker, Carlos Fiorentino, Amy Stafford, Matthew Bouchard
3. Investigating similarities and differences between Arabic Web interfaces from a cultural perspective.
Nouf Khashman, Andrew Large

CAIS 2010 Final Program - Programme final ACSI 2010 -

Day 3 : Friday, June 4, 2010 (morning)

8:00 – 8:30 Coffee

- ROOM H629-00 -

8:30 – 10:00 User-Centered Design

Session 8a

Moderator: James M. Turner

1. Culturally-sensitive e-learning practices for library education.
Lesley Farmer
2. L'informatisation des pratiques documentaires: une perspective en terme d'arènes et de mondes sociaux.
Dany Bouchard, Dominique Maurel
3. Ludification: Un simulateur ludique pour enseigner la recherche d'information.
Thierry Robert, Clément Arseneault

10:00 – 10:30 Coffee Break

10:30 – 12:00 Information Literacy (1)

Session 9a

Moderator: Yijun Gao

1. Integrating information behaviour and information literacy during academic tasks: A comparative study of Japanese and Canadian undergraduate students in a Canadian university.
Yusuke Ishimura, Joan C. Bartlett
2. Research is a verb: Exploring a new information literacy-embedded undergraduate research methods course.
Sarah Polkinghorne, Shauna Wilton
3. Science Information Literacy Tutorials and Pedagogy.
Ping Li

12:00 – 1h30 CAIS Annual General Meeting – Room H629

For all members. Please plan to attend. Lunch will be provided.

- ROOM H631-00 -

8:30 – 10:00 Communication and Use of Scientific Information

Session 8b

Moderator: Dominique Gazo

1. Communicating knowledge: How UK researchers decisions on where and how to disseminate their research results is affected by both the changing technological environment at research evaluation.
Dick Hartley
2. Archives ouvertes et banques de données commerciales : quelle visibilité pour la recherche en sciences de l'information et de la communication?
Camille Prime-Claverie, Stéphanie Pouchot
3. Communicating scientific information for environmental solutions: A knowledge management perspective.
Danielle Cossarini

10:00 – 10:30 Coffee Break

10:30 – 12:00 Metadata and Indexing

Session 9b

Moderator: Lyne Da Sylva

1. Les écritures de l'information dans les TIC et le SI.
Manuel Zacklad
2. Towards assessing relative value of user-generated tags to knowledge organization systems.
Besiki Stvilia, Corinne Jörgensen
3. IconoTag, making a case for automatic multilingual indexing of still and moving images.
James M. Turner, Claire Nigay

CAIS 2010 Final Program - Programme final ACSI 2010 -

Day 3 : Friday, June 4, 2010 (afternoon)

- ROOM H629-00 -

1:30 – 3:00 Information Literacy (2) Session 10a
Moderator: *Siobhan Stevenson*

1. Interactions élèves-information et construction d'une culture informationnelle.
Yolande Maury
2. Engaging students in information literacy: Curriculum planning from the ground up.
Lisa M. Given, Heidi Julien
3. Including student voices in instructional design: Community college students with non-proficient skills talk about IL instruction.
Don Latham, Melissa Gross

3:00 – 3:30 Coffee Break

3:30 – 5:00 Information Literacy (3) Session 11a
Moderator: *Nadia Caidi*

1. Discourse, identity, practice: Analyzing instruction librarians' conversations about information literacy and the social Web.
Cameron Hoffman, Sarah Polkinghorne
2. Appréhender la culture informationnelle professionnelle en construction des étudiants documentalistes scolaires: croisement des approches pour atteindre la complexité.
Vincent Liquète, Franc Morandi
3. The effects of information literacy instruction on business students.
Brian Dettlor, Lorne Booker, Heidi Julien, Alexander Serenko

5:00 – 5:15 Closing

Concluding remarks.
Invitation for 2011.

- ROOM H631-00 -

1:30 – 3:00 Records Management and Personal Information Management Session 10b
Moderator: *Sabine Mas*

1. La conciliation des processus d'affaires et des systèmes d'information documentaires est-elle possible? Un constat.
Dominique Maurel
2. Bringing together functional classification and business process analysis: Growing trends in records management.
Inge Alberts, Jen Schellinck, Craig Eby, Yves Marleau
3. Methodological strategies for studying documentary planning work.
Pamela J. McKenzie, Elisabeth Davies, Lola Wong

3:00 – 3:30 Coffee Break

3:30 – 5:00 Knowledge and Information Management Session 11b
Moderator: *Valerie Nessel*

1. Ditch the smileys: Customizing a stopword list for email-based data.
Dinesh Rathi, Michael B. Twidale
2. Extending web co-link analysis to co-word analysis for competitive intelligence.
Liwen Vaughan, Rongbin Yang, Chao Chen, Weibo Liang, Baoyi Li
3. Scholarly communication's mess: A game-theoretic approach to analysis.
John M. Budd
